

BREAKFAST WITH BENEFITS

These informative, monthly programs are designed to introduce participants to a variety of topics of interest as well as to individuals on the local and state level who are advocates for older adults, their well-being, and their community engagement.

Bagels, cream cheese, juice & coffee are served. Pre-register for each event.

COST (per program): \$2 M; \$4 NM

Incontinence, Compression Stockings & Mobility

Thursday, April 26, 10-11 a.m.

Charm Medical Supply, a trusted source of medical supplies and equipment for hundreds of caregivers, human service organizations and thousands of people throughout New England is located in West Hartford. Their presentation will focus on products and supplies that can make your life easier. ***Incontinence***--Guide for incontinence care and types of styles available, practical tips for incontinence products and how you can get these supplies paid for by Medicaid insurance.

Compression Stockings--Medical conditions that cause the need for stockings, different styles available and accessories to help make them easier to put on and how to get them covered by insurance. ***Mobility***--durable medical equipment available to help with mobility.
